Well Hello Spring!

It looks like we have finally crept out of the long, dark winter days and finally Spring is in the air.

We have been busy compiling agendas and creating events and are looking forward to delivering these over the coming weeks.

Working with Jennie Booth, Lead Nurse Medicines Management & NMP Lead from York Hospital, our **Non-Medical Prescribing Study Days** are very nearly at full capacity. We have a small number of places available at the Scarborough event taking place on Tuesday 20th May but you will need to be quick! Kindly email us to secure your place: nimbuscare.education@nhs.net

Our **Women's Health Event** is now in its second year, following last year's success we made the decision to run this over a full day and we are delighted with the reception this has received. We have a great ensemble of speakers from across the locality who bring with them a vast array of expertise, knowledge and experience. On **May 6th** We look forward to welcoming:

- **Mr James Tibbott**, Consultant Gynaecologist Lead Clinician for Gynaecology
- **Dr Jagjit Mankelaw**, Flippin' Pain, Community Pain Champion
- **Dr Selina Johnson**, Clinical Research Fellow and Pain Specialist Physiotherapist
- **Dr Tonye Wokoma**, Consultant Sexual and Reproductive Health and Menopause Specialist
- **Jennifer Allott**, Strategic Lead for Women's Health
- **Alison Chorlton**, Lead Nurse Sexual Health
- **Mr Kumar**, Urology Consultant
- **Mr Freitas**, Obstetrics and Gynaecology Consultant

Our thanks to Dr Emma Broughton, GP Clinical Director Priory Medical Group & GP Clinical Lead Women's Health Nimbuscare & Mel Fitter, GP Haxby Group for kindly giving their time to chair this event for us.

'The speakers offered a wide variety of information and delivered it in a very engaging way. Thank you!'
– Attendee at the last Women's Health Event

We also eagerly await the upcoming **Diabetes Hot Topics** mornings which run in Hull working with Dr Kam Mohammed, Consultant in Diabetes and Endocrinology, Honorary Senior Lecturer, HYMS. We still have delegate spaces available; these updates are open to all HCP's across the locality.

'Really helpful and engaging and presentation - Could have listened to Dr Mohammed for longer'
– Delegate, PLT Diabetes & CKD Workshop

We continue to work in conjunction with the ICB across York and Scarborough to provide **Protected Learning Time Events for both the Vale of York and Scarborough**. Agendas are under construction for upcoming dates and will be shared with you as soon as they are available

Scarborough June 17th, Coventry University Scarborough
&
York July 17th, York St John University

Don't forget to check the website to access your Certificates of Attendance and copies of presentations where access permissions have been granted.

Registration is open for the following events:

- **06.05.25** Women's Health Study Day, Novotel York (£60 Non-Member £50 Nimbuscare Member)
**** Limited Spaces Available ****
- **10.05.25** Diabetes Hot Topics – 08.00 -12.00 with Dr Mohammed, The Village Hotel, Hull
- **20.05.25** Non-Medical Prescribing Study Day, Scarborough Rugby Club (£60 fee applies)
- **22.05.25** Diabetes Hot Topics – 08.00 -12.00 with Dr Mohammed, Lazaat Hotel, Cottingham
- **04.06.25** Non-Medical Prescribing Study Day, York Radisson Hotel (£60 fee applies) ****FULL****

NB Refreshments/food will be served at all the above meetings

In the Pipeline:

- Men's Health
- Adolescent Mental Health
- Dermatology
- Cardio-Renal-Metabolic Study Day

If you have a **specialist interest** in any of the therapy areas listed above and would consider Chairing or supporting discussions at events, we would love to hear from you.

If you are interested in finding out more where registrations are open, please contact the team to request an agenda and sign up!

Can we help your Practice?

The team are here to listen and support with your practice educational / meeting / event / away day needs. Please don't hesitate to contact a member of the team if you would like to discuss your ideas further.

Working with Funders and Sponsors

We regularly work with pharmaceutical and device companies. Many of our events are supported by the pharmaceutical industry. Generally, companies have no input into agenda creation, and we will always declare where this is not the case. Their contributions help towards venue, catering and honoraria often resulting in free or reduced cost education for healthcare professionals. We recognise the work and role of these companies, and our intention is to work honestly and openly keeping both client and industry safe and in accordance with the ABPI guidelines – regardless of membership.

If you would like to read our 'Working with Funders and Sponsors' policy please contact a member of the team.
